United States Magistrate Judge Marcia M. Henry is seeking legal interns for Spring 2025. The in-person internship will start in January 2025 and end in May 2025.

Legal interns will assist with the management of the Court's civil and criminal cases, including preparation for court proceedings and procedural and substantive legal research. These opportunities will allow interns to develop their legal research and writing skills within a fast-paced, high-volume judicial district, to refine their professional skills in a collaborative setting, and to explore new areas of law through interaction with a diverse docket.

Candidates should be currently enrolled at an ABA-accredited U.S. law school, have completed their first year by the start of the internship, and should have exceptional legal research and writing skills. Interns should be curious about various areas of law, possess keen attention to detail, and be self-motivated. Strong interpersonal skills—such as teamwork, self-awareness, and communication skills—are deeply valued.

Personal integrity is essential to chambers. Applicants are expected to show a commitment to maintaining a courteous and professional demeanor within chambers, the courthouse community, the bar, and with the public.

The internship is unpaid. Applicants are responsible for obtaining funding or academic credit if needed.

Applicants should submit the following materials **as a single PDF attachment** to Henry\_Chambers@nyed.uscourts.gov: (1) cover letter, (2) resume, (3) writing sample of 5 to 7 pages, (4) unofficial law school transcript,<sup>1</sup> and (5) the name and contact information for at least two references. Applications submitted through alternative means will not be considered. The deadline for submissions is **December 11, 2024**. The Court will contact only those candidates who are selected for interviews. Please do not call or write chambers regarding the status of your application.
