

LAW CLERK HIRING INFORMATION

Hon. Ramón E. Reyes, Jr., United States District Judge – Eastern District of New York

Description:

Judge Reyes employs three law clerks who serve one-year terms on a staggered schedule, typically including two separate start dates in the fall and one in the spring.

Application Requirements:

A complete application will include a cover letter, resume, two recommendation letters, a self-edited writing sample, law school transcript, and undergraduate transcript. The writing sample cover page should describe who, if anyone, discussed or otherwise informed the applicant's writing sample, and to what extent.

Application Timing:

Judge Reyes prefers to hire applicants who have one or more years of legal work experience at the time the clerkship begins but will consider strong applicants who would begin the clerkship shortly after law school graduation.

Applications will be accepted only through OSCAR. Open positions will be posted on OSCAR on a rolling basis. Please do not email or mail copies of applications to chambers. Applicants are encouraged to visit Judge Reyes' profile on OSCAR for updated information.
