## Service Provider Presumptive Hourly Rates

Note: When a range is provided, the high end of a listed range is not the presumptive rate. Rather, rates vary based on locality, education, specialization, certification, licensing, and experience, as determined by the Second Circuit Case Budgeting Attorney.

### **Investigators, Mitigation Specialists, and Paralegals**

Type of Provider	Standard Rate	Special Skills Rate	Comments
Investigator (Capital and Non-Capital Cases)	\$110	\$110-\$125	<p>Special skills rate is for cases needing foreign language fluency or other specialization, such as mastery of one or more relevant areas of forensic science (e.g., forensic psychology or digital forensics) or high-level experience in the type of alleged offense.</p> <p>If there is good cause, counsel may seek to retain the services of an investigator whose base of operations is outside the geographic area where the services will be rendered, but counsel must negotiate a lower rate for travel time and/or negotiate a cap for paid travel time.</p>
Mitigation Specialists - Capital Cases	\$150	\$160	<p>Special skills rate is for providers with a master's degree, and for cases needing foreign language fluency or other specialized expertise. The rate will be reduced to the non-capital rate if the government opts against seeking the death penalty.</p> <p>In a capital case, if a "no-seek" decision is rendered, the mitigation specialist's rate is reduced to the non-capital rate.</p> <p>Prior approval is not needed to retain a mitigation specialist in budgeted cases when the mitigation specialist is within the case budget and is paid the presumptive rate.</p>
Mitigation Specialists - Non-Capital Cases	\$125	\$125-\$135	<p>Special skills rate is for providers with a master's degree, and for cases needing foreign language fluency or other specialized expertise.</p> <p>Prior approval is not needed to retain a mitigation specialist in budgeted cases when the mitigation specialist is within the case budget and is paid the presumptive rate.</p>
Paralegal	\$75	\$85	<p>Special skills rate is for those with technology skills necessary to perform complex litigation support or discovery database</p>

			<p>management (including subjective coding), and for cases needing foreign language fluency or capital case expertise.</p> <p>If a paralegal is a full-time employee of the panel member's firm, counsel may seek reasonable compensation which exceeds the presumptive rate and recognizes the added costs associated with maintaining the paralegal as an employee. For guidance about establishing this rate, counsel should contact the Case Budgeting Attorney.</p>
