In re: Detainee Screening Procedures

**ADMINISTRATIVE ORDER
NO. 2020-04**

-----X

ROSLYNN R. MAUSKOPF, Chief Judge.

The Court hereby directs that, until further notice, the Metropolitan Detention Center, the Metropolitan Correctional Center, the Nassau County Correctional Center, the Suffolk County Correctional Facilities, the Essex County Jail, and the Queens Private Detention Facility, to screen all detainees who are scheduled to appear in the Eastern District of New York to determine their body temperature. Such screening shall take place reasonably prior to the detainee's court appearances. If the temperature is 100.4 or above, such detainees should not be produced and the Court, forthwith, be notified.

SO ORDERED.
