In Re:
Application for Exemption from Electronic Public
Access Fees

**ADMINISTRATIVE ORDER
NO. 2021-17**

-----X

PACER FEE EXEMPTION ORDER

The Court received an application request by Joel Putnam, on behalf of the Focus Forward Project, Inc. (“Focus Forward”), for exemption from the fees imposed by the Electronic Public Access fee schedule adopted by the Judicial Conference of the United States Courts.

Focus Forward is a nonprofit program that runs classes in federal jails and federal district courthouses, including in the Eastern District of New York, for persons facing federal criminal charges. As such, Joel Putnam, the Interim Director of Focus Forward, has demonstrated that an exemption is necessary in order to avoid unreasonable burdens and to promote public access to information. Accordingly, Joel Putnam shall be exempt from the payment of fees for access via PACER to the electronic case files maintained in this court, to the extent such use is incurred in the course of his educational research in areas related to federal criminal law and the conduct of classes and other educational projects related to participants in Focus Forward. Joel Putnam shall not be exempt from the payment of fees incurred in connection with other uses of the PACER system in this court. In addition, the following limitations apply:

1. this fee exemption applies only to Joel Putnam and is valid only for the purposes stated above;
2. this fee exemption applies only to the electronic case files of this court that are available through the PACER system;
3. by accepting this exemption, Joel Putnam agrees not to sell for profit any data obtained as a result of receiving this exemption and not to redistribute any data over the internet;
4. this exemption is valid until July 8, 2022, unless earlier revoked.

This exemption may be revoked at the discretion of the Court at any time. A copy of this Order shall be sent to the PACER Service Center together with a copy of the application.

SO ORDERED:

Dated: July 13, 2021
Brooklyn, New York
