Clerkships

Clerkship applications must be submitted through OSCAR, where Judge Merle will post any open positions.

Internships

Beginning December 1, 2024, Judge Merle is accepting applications for summer 2025 law student interns. Applicants must be currently enrolled in an accredited J.D. or LL.M. program.

Law student interns will work primarily under the supervision of Judge Merle's law clerks and will be involved in the substantive and logistical day-to-day of chambers, including legal research and writing.

Interns are expected to work in chambers five (5) full-time days each week. Internships are unpaid, although chambers staff will work with interns to support funding or academic credit through their law schools.

To apply, applicants should submit a cover letter, resume, writing sample (no more than eight (8) pages), undergraduate transcript, law school transcript with at least one semester of grades, and list of three (3) references to the chambers email listed above. First-year students may submit applications in December and supplement their applications with fall semester grades in mid-January, or when otherwise available. Applications must be submitted via email as one merged PDF. The subject line of the email and the file name for the PDF should be as follows: Internship Application – Summer 2025 – NAME.

Applicants may not call Chambers regarding the status of their applications. Chambers staff will review applications on a rolling basis and contact applicants selected for interviews.
